K-Kids Annual Achievement Report

(Distinguished Club / Honor Club Award)

District: _____

Instructions:

Read through the Achievement Report and write the number of points the club earns for each task or activity accomplished in the scoring box next to the activity description. Include activities conducted by the club during the current school year. If the club did not conduct an activity write a zero (0) in the scoring box. Total the points earned by the club and compare the point total against the award guide to see if your K-Kids Club earned enough points to be recognized as a Distinguished Club or as an Honor Club.

Award Guide: The club must earn 120 points to receive Distinguished Club and 80 points to receive Honor Club.

Make a copy of the completed Achievement Report and keep one copy for your club records and mail the other copy to your K-Kids district administrator by April 1. If your club earned enough points to be honored as a banner patch will be mailed to your club's faculty advisor for presentation to the club.
