BUG Honor Roll Recipients

Today we are here to honor students who achieved the goal of raising one grade during this grading period while maintaining the rest of their grades.

These individuals are being recognized for Bringing Up Grades and will be placed on the BUG Honor Roll for the (2nd, 3rd, 4th) grading period.

Congratulations to each of you! You did an awesome job! We are all proud of what you have accomplished and each of your names will be added to the BUG Honor Roll.

Please step forward to receive your recognition button and certificate when your name is called.

Congratulations BUG Honor Roll students!

Everyone, please join me in recognizing our (2nd, 3rd, 4th) period BUG Honor Roll students with a big round of applause!

(Remember to take photographs of BUG recipients to place on the BUG recognition bulletin board.)
