THANKS FOR DOING YOUR PART.

The Kiwanis family will raise US$110 million to save or protect millions of women and their babies from maternal and neonatal tetanus. Kiwanis Service Leadership Programs—including K-Kids, Builders Club, Key Club International, Circle K International and Aktion Club—are vital to our global campaign. These recognition items honor Kiwanis family programs and their members.

FOR INDIVIDUALS

ELIMIDALLION
Donation: US$625+ (350+ lives saved or protected)*

FOR CLUBS

1K CLUB
Donation: US$1,000+ (550+ lives saved or protected)*

1K Clubs inspire all clubs by achieving a US$1,000 level within one year (October 1–September 30). Recognition will be based on each year’s campaign theme (e.g., Lead, Inspire, etc). 1K Clubs will be recognized with:
- An annually themed 1K Club banner patch
- Special recognition at district conventions
- Recognition in The Eliminate Project communications

SERVICE LEADERSHIP PROGRAMS

GLOBAL SERVICE SOCIETY
The SLP Global Service Society recognizes clubs for the per-member average of their contributions within one year (October 1–September 30). A club’s per-member average is based on total club giving, from all sources and methods by total membership. Recognition based on per-member average ensures that clubs of any size can be recognized equitably for their efforts.

Each club that earns recognition will receive a Kiwanis family banner patch corresponding to its per-member average. This option is based on annual recognition; clubs will start from zero (0) each October 1 (i.e., the start of the Kiwanis year).

Gold Clubs will be eligible for pins for each club member.

Recognition items honor clubs for their accomplishments within one Kiwanis year, from October 1–September 30.

KIWANIS RECOGNITION
All Service Leadership Program donors remain eligible for Kiwanis International recognition, including the Walter Zeller Fellowship, Tablet of Honor and the Hixson Fellowship. If you have any additional questions about gifts to The Eliminate Project, please contact the campaign office or visit www.TheEliminateProject.org/recognition.

*Lives saved or protected are based on the average cost of US$1.80 to provide education, three vaccine doses, health worker training, transportation, safe storage and more. Figures are accurate as of June 2012 and are subject to change.
