**What's left to do?** Last week K-Kids clubs around the world participated in Eliminate Week activities to raise funds and awareness for The Eliminate Project: Kiwanis eliminating maternal and neonatal tetanus. Every US\$1.80 donated will protect one woman and her future babies. And, with millions of women in remote locations of 30 countries still needing to be immunized, the efforts of your K-Kids Club are crucial to saving lives.

There are just two more important final steps to complete your efforts for Eliminate Week:

1. **Get recognized.** Tell us about your project by completing this [easy form](#) to receive a participation patch for your club.
2. **Send in your donation.** Make your check payable to The Eliminate Project (be sure to write your club name, club number and "Eliminate Week" on the check) and mail to:

The Eliminate Project: Campaign Office  
 Kiwanis International Foundation  
 3636 Woodview Trace  
 Indianapolis, IN 46268 USA

If you are still looking for project ideas, check out the [online resources](#).

Thank you so much for your support. If you have any questions, please email us at [campaign@TheEliminateProject.org](mailto:campaign@TheEliminateProject.org)

**Your contest winners: Coming soon!**

It's time to reward all of that hard work in K-Kids! Annual contest winners for best speaker, leader, essay and scrapbooks will be announced near the end of May. These awards can help you get to know the Kiwanis leaders of the future and let their winning ideas enhance your own Service Learning Programs. Awards will be judged on Thursday, May 16, by Kiwanis International staff.

Help honor the achievements of local K-Kids by offering to hand out awards or acknowledge their efforts at an upcoming meeting. Keep an eye out at district convention for award displays too.

You'll also find the [winning contest entries online](#). Let their hope for the future inspire yours, too.
