K-Kids Eliminate Week is May 6–10! Kiwanis-family clubs around the globe are using this week to focus on raising funds and awareness for The Eliminate Project: Kiwanis eliminating maternal and neonatal tetanus. Every K-Kids club is needed to participate. The time to start planning your fundraising project is now. And we've made it easy:

1. A step-by-step guide will help your club through the planning, implementation and celebration stages of your event.
2. We've outlined easy fundraising ideas to make it easy for you to choose your event.
3. If your club participates, the club is eligible for fundraising recognition and a 2013 Eliminate Week patch.

Check out the landing page on the website for all the details:

What do you think? We REALLY want to know!

Here's an opportunity to give Kiwanis your two cents' worth and let us know what you think of K-Kids program kit materials. Please take a few minutes to complete a [short survey](#) that will help ensure you receive the best possible resources to aid you in the amazing work you do as a club advisor.

Enter contests by April 1

Your club has worked hard this year and accomplished a lot! Take time to share what you've done with your district and with Kiwanis International by entering a K-Kids contest. There are opportunities available for both individual club members and for the whole club. Individual members can enter the speech contest, speaking on the topic: "What you can do to make a difference in someone's life and how doing this impacts you." Maybe one member has shown outstanding leadership throughout the year. Nominate that member for the K-Kids Leadership Award.

Is there one service project your club is particularly proud of? Enter it in the Single Service Project contest. Can't decide which project to choose? Enter a scrapbook of photos, drawings and other documentation of your activities throughout the year. There are also The Eliminate Project-themed contests this year. Learn more about contests and download the 2013 contest booklet on the [annual contests page](#) of the K-Kids website.

All contest entries are due to your district administrator by April 1.

Elect new club officers

The school year isn't over quite yet, but it's already time to think about electing new club officers for next year! April is the ideal month to begin the election process. This leaves plenty of time to make a smooth transition from current officers to new ones, which will help your club hit the ground running at the start of next year. Help ensure officers are prepared to take office October 1, 2013.

Usually, the election process takes place over the course of three consecutive meetings. Here's a suggested procedure that can be modified to fit the needs of your specific club:

1. At the first meeting **announce new officer elections**, explain the responsibilities for each office, and encourage nominations for each club position. You can find detailed information about each office on page 5 of the [K-Kids advisor guide](#).
2. At the next meeting, **allow candidates to campaign**. Set aside time for each candidate to present visions and ideas (their "platform") for the upcoming year.
3. **Hold elections** at the third meeting. Conduct by secret ballot. Then share results with the school/site administration and your sponsoring Kiwanis Club.
