- Scrapbooking Event ........................................................................ 48-49
- End of the Year Ice Cream Social (Still to Come!) ......................... 50-51
- Looking Forward to Next Year! ....................................................... 52
Service to School

All the Events that Benefit Our Amazing School!
UES K-Kids Agenda:

White-board Message:

- Get Agenda
- Get Snack
- Sign in with Makhina
- Get Paper to make Nametag
  (Nametags are decorated with your art supplies. Put your 1st name, and make it SCHOOL APPROPRIATE)

Start Meeting:

K-Kids Pledge: "As a K-Kid, I promise to serve my neighborhood and my school; I will show respect toward my environment; and I will try to make the world a better place in which to live.

Activities:

- The K-Kids officers elected last year will give a short description of what their role is (and who they are).©
- There will be a short presentation on the responsibilities of the members. Make sure you listen to this; it will explain your role as a K-Kid!
- We'll play some games to make sure we know who everybody is. (Which you probably do, but just 'makin sure).

Notes: 1. If you get one of your friends to sign up for K-Kids, you get a free rubber bracelet that says, "KIDS DOING GOOD." 2. Dues next meeting if you don't have them!
Kiwanis K-Kids

October 4, 2011

UES K-Kids Agenda:

White-board Message:

- Pick-up Agenda
- Pick-up Snack
- Sign in with Mokhina
- Quietly talk until we start the meeting

Start Meeting:

K-Kids Pledge: "As a K-Kid, I promise to serve my neighborhood and my school; I will show respect toward my environment; and I will try to make the world a better place in which to live."

Activities:

- UNICEF presentation - a short description about what UNICEF is.
- Brainstorming - we’re going to start the "Small Acts of Kindness" school activity soon (more explanation later).
- Games - we might split up into groups to play a few more "get to know you games" if we have time.

Notes:

1. Turn in dues as soon as possible if you have not already done so.
2. Really try to be a part of the small acts of kindness activity we’re doing.
THE POWER OF NICE

Making kindness catchy
One good deed leads to another

As a K-Kid, you set an example. You probably know that from your club’s activities and projects—and the way they help your community.

But sometimes, your most important good deeds are the things you do every day. Maybe you helped someone pick up stuff he or she dropped. Or you did something at home without being asked.

Even better, you can pass on your kindness. When you do something nice, someone else could see it ... and feel inspired to do something too!

That’s the power of nice.

Cut out the next page and fold it along the lines. Then use the categories down things you could do for people in your life.
November Agenda:

Welcome Message:
- Sign-in with Mokchina
- Get snack
- Quietly find seat

Start Meeting:

**Pledge:** “As a K-Kid, I promise to serve my neighborhood and my school; I will show respect towards my environment; and I will try to make the world a better place in which to live.”

1. UNICEF (how much money we made, reminders to turn in, etc.)
2. Start Pennies for Patients unit!! (Explanation, set goal, etc.)
3. Work on sorting out supplies (need several helpers)
4. Work on decorating the big classroom Pennies for Patients boxes

Notes:
- Bring in any dues if you have not done so—PLEASE! ($10)
- Turn in your UNICEF money as soon as possible
- Try and get as many people as you can to contribute to the Pennies for Patients unit. Let’s try to reach our goal, guys!

THANK YOU! 😊
UES K-Kids Agenda:

White-board Message:
- Pick-up Agenda
- Pick-up Snack
- Sign in with Mkhina
- Quietly talk until we start the meeting

Start Meeting:

K-Kids Pledge: “As a K-Kid, I promise to serve my neighborhood and my school; I will show respect toward my environment; and I will try to make the world a better place in which to live.”

Announcement:
Pennies for Patients!

Activities:
- Make letters to participating Pennies for Patients classrooms.
- Make posters and flyers for the food drive.
- If there’s time, there might be a game! 😊

Notes:
1. Turn in dues as soon as possible if you have not already done so.
2. Really try to be a part of the small acts of kindness activity we’re doing. 😊
University Elementary School’s Learning Festival

AS SOON TO COME!

- Volunteer to manage interactive booths such as the face painting booth and a booth in which members of our school community can create dog toys out of repurposed t-shirts
The Learning Festival at University Elementary is a time to relax and have fun for the K-Kids. There are many booths that parents and students can go to that are placed in areas all over the school grounds. K-Kids can volunteer and run the booths to help anyone who decides to come and do an activity there. This year, K-Kids are doing a special booth that involves making dog toys out of old t-shirts.

- **Hoosier Hills Food Bank/Repack Session:**
  - Proceeds from the sales will go to help build homes for families in Mexico.
- **Hoosier Hills Food Bank/Repack Session:**
  - Proceeds from the sales will go to help build homes for families in Mexico.

**Reminder:** Please add dates and times for the events in which you are registering to your personal calendars. Reminder slips will be sent home; however, reminders are sometimes sent home only one or two days in advance.
pumpkin patch
- Help unload thousands of pumpkins off of a semi-truck in order to help Sherwood Oaks Christian Church prepare for their annual pumpkin patch.
- Sell pumpkins at the cabin located in front of Sherwood Oaks Christian Church in order to raise proceeds to assist in the building of homes for families in Mexico.

Thank you for volunteering at SOCC’s Pumpkin Patch this fall. We appreciate the time that you sacrificed to help make the Pumpkin Patch such a success this year! We are thankful for the ways that you comfortably and intentionally interact with people in this i2U outreach.

With gratitude for your service,

Scott Newland
Carefest

- Help serve the community by working with SOCC members to beautify our school's gardens
Hoosier Hills

- Work together to aid thousands of children and adults in the fight against blood cancers through an annual, school wide Pennies for Patients drive
  - Repack Rescued Food
  - Sort and Organize Nonperishable Donations
- Learn how Hoosier Hills supports members of the community
  - Hold a Food Drive

Repack Sessions
- Collect supplies such as sheets, towels, toys for animals, and cat and dog food for Bloomington Animal Care and Control
- Bake homemade dog treats for Bloomington Animal Care and Control
- Decorate adoption posters for the shelter

Give a dog a bone!
Our time with the Animal Shelter
• Learn about pet overpopulation, animal shelters, and responsible pet care
• Discuss the needs of various animals, our relationship to other living creatures, and the responsibility we have toward companion animals
• Create dog toys for Animal Care and Control

The Bloomington Animal Shelter brought service animals to a K-Kids meeting at our school to promote awareness of animal shelters. We were showed a sweet dog, a cute cat, and a playful ferret. We were informed about how few people are adopting animals and how pets should be spayed and neutered to prevent calamities such as homeless animals. Then, our school hosted a food and toy drive for the animals at the shelter. I helped to organize the supplies that were shipped to the shelter. We donated many blankets, treats, foods, and toys that we made ourselves.

--Thalia Halloran
city of Bloomington Parks and Recreation

- Participate in an Earth Week trail cleanup by becoming immersed in the wonders of nature at one of Bloomington’s most beautiful parks
- Help maintain one of Bloomington’s trails with a spring cleanup of Lower Cascades Creek Trail
Coming Soon!!!

We K-Kids at University Elementary School are always happy to serve our community. For Earth Week, we will go to a park to clean up trash. Our K-Kids club is helping to make our natural world a better place... one plastic wrapper at a time.
Dear Club Advisor:

The Trick-or-Treat for UNICEF campaign is the perfect opportunity to teach your members that they can make a difference in the world by serving others. Kiwanis International and the U.S. Fund for UNICEF have partnered for many years to help children around the world. This year the 2011 Trick-or-Treat for UNICEF campaign will support The Eliminate Project: Kiwanis eliminating maternal and neonatal tetanus.

One baby dies every nine minutes from tetanus. More than 100 million women of childbearing age need protection from this painful, yet highly preventable disease. Roughly US $1.80 provides three vaccine doses to protect a mother and her future newborn.

The Kiwanis family participation in Trick-or-Treat for UNICEF demonstrates the power of kids of all ages helping children around the world, and your members can put this principle into action by participating this year to protect mothers and newborns. Together, we can put an end to this needless disease.

Visit trickortreatforunicef.org to learn creative ways others have used to bring excitement to their campaigns.

Additional boxes are available by calling 1-800-KIWANIS, ext. 411.

See the enclosed donor transmittal form to use when sending in donations. Please make checks payable to Kiwanis International Foundation.

Mail donations to:
The Eliminate Project
Kiwanis International Foundation
3636 Woodview Trace
Indianapolis, IN 46268

Thank you for your dedication to children and for helping empower them to make a difference in the lives of children in need around the world.
Dear Kiwanis Family Club,

Thank you for your generous Trick-or-Treat gift of $209.40 to The Eliminate Project. Your gift places you among the inaugural donors to help Kiwanis and UNICEF save and protect millions of mothers and their babies by eliminating maternal and neonatal tetanus (MNT).

The Eliminate Project is an enormous undertaking where every gift matters as we begin our efforts to raise awareness and secure US$110 million to eliminate a disease that kills one baby every nine minutes. The effects of MNT are excruciating — newborns suffer repeated, painful convulsions and extreme sensitivity to light and touch. Heartbreakingly, their mothers, fathers and caregivers are unable to hold and provide even the smallest amount of comfort to these fragile victims of MNT.

Kiwanis and UNICEF are working to fill the funding gap by 2015 required to eliminate MNT around the world. Your philanthropy will help provide targeted assistance and deliver life-saving vaccines to the most vulnerable women and children in the world, those in remote areas, conflict zones and with little access to healthcare.

Thank you for contributing your time and financial resources to The Eliminate Project. Together, our efforts will ensure that mothers and children at risk have an opportunity to live a life without the threat of MNT.

With all good wishes,

Ann Updegoff Spleth
Chief Operating Officer
Kiwanis International Foundation.
Pennies for Patients

TRIVIA SCHOOLYOUTH QUIZ

1. How many quarters are in $5.00?
   A: 20
   B: 25
   C: 30
   D: 40

2. Who is James Madison?
   A: Ben Franklin
   B: Abraham Lincoln
   C: George Washington

3. The U.S. dime is made from:
   A: Copper
   B: Silver
   C: Nickel

4. Pennies Patients

Collectively, we can make a difference! 

[Images of children and flowers]
Hey, make change! Let’s beat cancer!

Dear Parent/Guardian,

Your child has an incredible opportunity.

In the coming days, he/she will be instrumental in a school program that will raise funds for lifesaving treatments and cures for blood cancer patients. This is a special chance for your child to have a big impact on others.

Your child’s school will be participating in The Leukemia & Lymphoma Society’s (LLS) School & Youth Program, Pennies for Patients. During a three week period, students collect spare change to support LLS’s mission; to cure leukemia, lymphoma, Hodgkin’s disease and myeloma and to improve the quality of life for patients and their families.

While the impact your child will have on so many lives is significant, their own sense of service and philanthropy will be immeasurable. In fact, many of LLS’s advancements are used for patients with diseases beyond those for whom they were originally developed like solid tumors and autoimmune disease.

A collection box will be given to each child to collect the spare change. If the results from past Pennies for Patients Programs are any indication, the students will fill up the boxes with change to spare!

So lift those couch cushions and empty those pennies, nickels and dimes from your pockets! LLS thanks you in advance for helping patients with blood cancers live better, longer lives.

Sincerely,

Elissa Cici
Indiana Chapter, Campaign Manager

Keondia (KeeKee) Wood
2013 has been a fun, busy and productive year for all of us at the Indiana Chapter. We provided patient financial assistance to a record number of patients, saw two of our fundraising campaigns surpass their goals by leaps and bounds and even welcomed three new babies to the Indiana Chapter family! Look what we accomplished together in 2013:

**Patient Services**
- Local financial assistance to a record 1,042 people ($1,063,600)
- Local financial assistance program combined with the Co-Pay Assistance Program allowed Hoosier patients and families to receive over $1 million in assistance
- 570 patients and caregivers received information from education programs
- 739 people attended family support groups
- 132 First Connection matches were made so newly diagnosed patients could obtain emotional support after their diagnosis

**Team In Training**
- 539 participants ran, walked, swam and biked in 12 endurance events in Indianapolis and across the U.S.
- Team In Training volunteers raised more than $850,000 for our mission!

**Light The Night**
- Seven walks in four weeks raising nearly $700,000!
- 540 teams and 5,000 walkers honoring and remembering loved ones and walking the journey together

**School & Youth Programs**
- 388 schools raised a record-breaking $520,000 and exceeded their fundraising goal by over $100,000!
- Over 500 schools recruited for 2012 Pennies for Patients and Hop for Leukemia & Lymphoma

**Man & Woman of the Year**
- In Indianapolis, nine candidates raised over $285,000, surpassing the campaign's goal by nearly $80,000!
- The 2011 Man of the Year was Scott Shepherd of ExactTarget, Inc., and the Woman of the Year was Kristie Smith, realtor – ERA Real Estate Links
- In Fort Wayne, eight candidates raised over $135,000
- The Woman of the Year, Noelle Reith of Club Soda, raised the most funds ever by a female candidate in the Fort Wayne area. The Man of the Year honor went to Dr. Sreenivasa Nattam of Fort Wayne Medical Oncology and Hematology

**Exciting news regarding blood cancer research**
In fiscal year 2011, LLS invested more than $76 million in hundreds of scientists across the United States, Canada and 10 other countries. One major success story of 2011 is that of LLS grant recipient Carl June, MD. Dr. June and his team were hailed in the media for making a breakthrough using gene transfer to create immune T cells to attack cancer cells. We're also proud to have an LLS-funded researcher at the Indiana University School of Medicine, Dr. Feng-Chun Yang, whose research will hopefully lead to a better understanding of Fanconi Anemia (which can cause acute myelogenous leukemia) and more promising treatments.

Your hard work and dedication to our mission directly impact each and every victory we celebrate, and we are proud to share with you what we have achieved together over the past year!
make change, beat cancer.
Pennies for Patients

Pennies for Patients is the biggest fundraiser of the year. It is my personal favorite because the whole school gets to participate. Anyone from kindergarten to sixth grade can donate. Pennies for Patients also raises awareness about diseases like Leukemia and Lymphoma. The children see posters around the school about the program and get to watch their class’s money grow as they are informed about these horrible cancers and new innovations for treatment made by the Leukemia and Lymphoma society. That’s the best part of Pennies for Patients. It lets kids know that they can make a difference.

-Ruth Alber
$2,017.02? Seriously?

After three weeks of hard work we were finally done collecting pennies. I and many other K-Kids had been collecting money for the Leukemia and Lymphoma Society. We’d all been collecting and our pennies quickly added up. In November, we set the goal of $2012, in honor of the coming new year of 2012. We exceeded this goal by getting a total of $2,017.02! I was so excited, not only because we got $5.02 more than our goal but also because we got $37.01 more than last year’s total. This shows just how much University School cares. I am proud to be a member of University School K-Kids.

-Arianna Ray

Jump Rope for Heart

Be a Heart Hero!
Raise funds. Save lives.
Learning how to take care of your heart, jumping rope and helping kids with special hearts.

Our School Will Soon participate in an event called Jump Rope for Heart, a project in which we will raise money for patients with diseases in their hearts, such as heart murmurs. We will also host an event in our gym where we jump rope to help keep our hearts healthy and raise funds to help patients. My mother actually used to have a heart murmur and still has a disease in which a valve in her heart sometimes opens up backwards and lets un-oxidized blood back into her bloodstream. This causes her to be fatigued and need to lie down occasionally. I'm really glad that there is a chance to help people with minor conditions like my mother's and major conditions like heart cancer.
Enjoy fun, educational booths for the entire family. And it’s free!

From 10 to 2 on September 17th join us at Sherwood Oaks Christian Church (2700 E. Rogers Road) for the 5th Annual SCI Kiwanis Health & Safety FUN Fair. Our focus is on providing health and safety-related activities for children and their families in a FUN atmosphere.

At this free event, there will be something for everyone. Health screenings for adults and children—vision, hearing, lead, and more. Information by a variety of programs and services offered in Monroe County - **over 50 interactive booths**! Special attractions will include David Weigand's Magic Show, Leonardo Music Show, Extreme Face Painting, Ident-A-Kid cards, as well as our 2nd Annual Pop Tab Drop competition. Bring your pop tabs and compete for the traveling trophy. Free giveaways from many of the vendors, giant coloring books, bike helmets, t-shirts, books, awesome door prizes, & MORE!

**Don’t miss out:** Saturday, September 17 from 10 am to 2 pm - Rain or shine!
The majority of the event will be held inside. Large items such as the "Get Out Alive" safety trailer, bounce house, health mobile, obstacle course, etc. will add exciting booths outside.

What would you do if, as a child, you just found out that you had to go to the hospital for a surgery? Say your family lived miles upon miles away from the hospital. If you couldn’t stay near the hospital, your parents wouldn’t be able to visit you. The Ronald McDonald House could fix that. This organization has helped countless families in this same sticky situation. By providing a house near a hospital and hot meals for a family in need, the Ronald McDonald House is a great organization in need of donations. Pop tabs can be melted into liquid aluminum and sold. This money is used for the benefit of the Ronald McDonald House. The K-Kids at University Elementary collected lots of pop tabs for the cause. Just think— we can recycle and help kids in need.
Tornado Victim
Donations

Donations may include:

Plastic Storage Containers
Containers should be large enough to hold donated items; however, they should be small enough to carry with ease.

Clothing
Children’s winter coats are most needed at this time; however, all donated coats will be taken.
Winter Coats
Scarfes
Hats
Work Gloves

Blankets

Towels and Sheets

Toiletries
Hand Sanitizer
Toothbrushes and Toothpaste
Shampoo
Baby wipes
Miscellaneous items

School Supplies Tools
Flashlights
Batteries
Shovels
Rakes
Tornado Victim’s Fund

There was a devastating tornado that blew through Indiana, and destroyed nearly all of Henryville town’s inhabitant’s possessions and homes. That is why Jackson Creek Middle School and University Elementary teamed up to collect donations for the tornado victims. We received more supplies than we could have imagined for the tornado victims.

While we were helping pack up the truck, we realized that we had so many donations, that they wouldn’t all fit in the truck! Someone had to go and get another vehicle so we could send all the donations! It was really heart warming to see just how much people cared for on another, and were so willing to help. Finally the trucks drove off to Henryville to deliver the donations.
Miscellaneous Projects and Events

All the Extra Projects that K-Kids do for Fun, and Projects that Benefit Our Club!
K-Kids Essay and Art Contests
- Greeting Card Art Contest
- Essay Contest in which the essay tells what activities or projects our K-Kids club did that teach a moral or lesson
- Art Contest in which students draw a coloring book page about K-Kids

Flores, one of our club members, did a thank you card. She chose that because it was a common card. Another member, Rosie, drew a bird because she always enjoys drawing birds and because they bring people happy thoughts.
The scrapbook event is one of the K-Kids most exciting activities! To start, the president of the club and the club’s advisor discussed ideas for the theme of the scrapbook. The president told other K-Kids about the ideas, and the advisor went out to get the supplies to make the scrapbook. On the day of the actual scrapbook making, the advisor showed us a few sample pages of scrapbooks and how to use the tools. Then, the K-Kids are assigned pages to work on and we were free to go!

After the day of the scrapbook event, all extra pages were done by members who used their spare time to work on the scrapbook. In the end, we created a masterpiece!
K-Kids End of the Year Ice Cream Social

SOON TO COME!

At the end of University Elementary K-Kids’ school year, we celebrate our success by having an annual ice cream social. Parent volunteers help serve ice cream while the K-Kids socialize and have fun. Because K-Kids ends in warmer weather, the ice cream is a great treat to have to cool off while still making the K-Kids feel proud that we’ve got through another great year!
The End
