Welcome!

Are you ready to make school fun?

Dear K-Kids,

Welcome back to school and K-Kids. Are you excited about serving as a K-Kid again? I hope so.

You might not be thrilled about the end of summer, but returning to school doesn’t mean the excitement has to stop. There are lots of fun things you and your K-Kids club can do this year. Here are three:

Make friends. Share the fun you have in K-Kids with other students who are not members—and encourage them to join. The more the merrier.

Aim to win. Keep a scrapbook to enter in the K-Kids annual contest. You can also enter the K-Kids speech, essay, and art contests. Read about them in this K-Kids Zone.

Go green. Are you proud of your school? Show it by keeping it clean. Many K-Kids clubs lead their schools in picking up trash, landscaping, and doing small chores. Talk with your principal to see if there’s a project you can do.

Here’s hoping you have a great school year!

Does school stress you out? You’re not alone. Some kids like school a lot. Others, not so much. But you’ve got to do it, so you might as well do your best. Here are 10 tips to help you stay cool during the school year.

1. Figure out what you like and don’t like about school. For the “don’t likes,” try to find a solution. If you have trouble with a bully, for example, talk with an adult (parent, teacher, and/or principal) right away. If school work gives you fits, ask
your teacher to explain things and help you understand.

2. Don’t try to do everything at once. If you have lots to do, do things one at a time. That way you can focus on what you’re doing. You can make time to do it all, but you don’t have to do it all at the same time.

3. Breathe. If you still feel stressed, stop what you’re doing and take a few more deep breaths.

4. Take a break. If your fingers hurt from writing or your homework is stressing you out, take a break. Eat an apple or walk around for a few minutes. When you get back to your work, you’ll feel more relaxed and can start fresh.

5. Get organized. Don’t shove everything in your backpack. Keep items for each class or subject separate. Have a notepad handy and jot down homework assignments or important things during the day.

6. Be nice to yourself. If you mess up, don’t think, “I’m so stupid!” Think, “Well, I’ll remember that next time!”

7. Get enough sleep. You’ve heard this before, but it’s important.

8. Be a weekend warrior. During the week, focus on school. On the weekend, play, read, sleep in—whatever you don’t have time for during the week.

9. Work out. Exercise really does help keep stress down and your mind sharp. Anything you do to get your body moving is good. Turn up the music and dance to a couple of your favorite songs. Jump rope, Hula Hoop, or plug in the Wii Fit—it all will do wonders for your mind and body.

10. Eat right. Think of a rainbow and try to eat different colors every day. Each color offers your body important vitamins and minerals.

Log on to the K-Kids Web site (www.kkids.org) and select “Resources” to learn about the K-Kids Health for Your Mind and Body program, or click on the K-Kids Zone button for a list of Web sites with lots of fun—and healthy—activities.

It’s a Wrap!
Students just like you have a pretty good handle on what it means to be a member of a K-Kids club. For proof, all you have to do is check out the entries in this past school year’s K-Kids contests. Hundreds of K-Kids members competed to be among the...
best speakers, essay writers, artists, scrapbook organizers, and leaders. Here are the first-place winners:

**ESSAY**

Cheyenne Belter, Randolph Elementary School, Wisconsin

For the essay contest this year, K-Kids wrote on the theme “What skills have you developed in K-Kids, and how will these skills benefit you throughout life?” Here are excerpts from Cheyenne’s winning essay:

“From the start, I learned how a group like K-Kids is like a team and you have to work together. Being a K-Kids member, I learned that there are so many good things that you can do to help people that are in need such as collecting food or supplies for the needy, even soldiers.

“K-Kids is about helping others. Because of K-Kids I have (also) seen how I can help others on my own time.”

**ART**

Angela Miller, Orofino Elementary School, Idaho

**SCRAPBOOK**

Middlesex Elementary School, Urbanna, Virginia

**CLUB SINGLE SERVICE PROJECT**

Randolph Elementary School, Wisconsin

**SPEECH**

Mara Bowman, Franklin Elementary School, Manitowoc, Wisconsin
Ready to Win?

If you are a member of K-Kids, you already are a winner because you care about others—and you’re working to make the world better.

As a K-Kid, you have the opportunity to share your special talents and inspire others through the annual art, essay, scrapbook, single service, and speech contests. Each year, hundreds of K-Kids just like you impress the judges by writing moving speeches and essays, and creating art.

There is no better test for how helpful your K-Kids club is than the impact you have at your school and in your community. K-Kids clubs help people all over the world by raising money, collecting goods, and doing things for those in need.

Here are a couple of K-Kids clubs that did a great job serving their communities this past school year. They are the winners of the K-Kids Club Single Service Project competition.
L.O. KIMBERLY ELEMENTARY SCHOOL, FAYETTEVILLE, GEORGIA

**Project:** “Change for Change”—a fundraiser for the Make-A-Wish Foundation

**The details:** Club members led the schoolwide “Change for Change” project. Each classroom was given a jar and encouraged to collect change for the Make-A-Wish Foundation.

**The results:** Students responded by donating more than US$300 in change.

**The word:** “I feel good about our project because I learned that the rest of the kids in school support K-Kids and what we do.”

—Brandon, fifth grader

“No now I like to help others, and I think about K-Kids more than other things that used to get me in trouble.”

—Louis, second grader

RANDOLPH ELEMENTARY SCHOOL, WISCONSIN

**Project:** Food drive for the hungry; collection for a homeless shelter

**The details:** This past March, the club joined the middle school’s student council in collecting boxes of food for Randolph’s Food Pantry. The groups also asked students to donate personal items— toothpaste, toilet paper, tissues, soap, shampoo, lotion, laundry soap, and other things—for a homeless shelter.

**The results:** Students responded by donating more than 40 bags and boxes of food and other items.

**The word:** “I think members learned about how to give to others. We learned that it is a good thing to help a family that has had something bad happen.”
This November, celebrate Kiwanis Family Month. It’s an ideal time to step up your service activities and join other clubs in the Kiwanis family with theirs. A couple of ideas:

• Participate in a service project with the Kiwanis club that sponsors your K-Kids club or with a Key Club or Circle K club in your area. Then enjoy a fun activity between the two clubs after the project.

• Visit a Key Club, Circle K club, or other Kiwanis-family club.

Your Kiwanis advisor can help you with either of these activities.

UNICEF

Trick-or-Treat for kids

Join Key Club members this coming Halloween during the annual Trick-or-Treat for UNICEF campaign. Money raised this year will go to The Swazi Children Care Project, which helps provide health services, nutritious meals, and other care to children in Swaziland who are orphaned or affected by HIV / AIDS.

Swaziland is a small country in southern Africa where the infection rate for HIV is the highest in the world and where children need our help. As a partner with UNICEF, Key Clubbers will collect donations using the familiar orange boxes.

For tips on how your K-Kids club can take part in Trick-or-Treat for UNICEF, or to order orange collection boxes, visit: www.unicefusa.org/keyclub; www.unicefusa.org/trick-or-treat; or www.keyclub.org.
