

### **Make a member button and card holder**

Keep track of your member button and card by making your very own button and card holder.

All you need is a piece of paper, a marker or pen to decorate the holder and a little patience to fold a masterpiece.

The following Origami patterns are perfect to use as button and card holders.

### **Origami patterns**

[Origami cup pattern](#) – great to hold buttons

[Origami folder](#) (similar to a pouch) video – great for a button or member card

[Origami folder video](#) – watch a video to learn how to create a folder. (Mute the sound for this, the music is loud.)
