Distinguished President Zelma Daisley

District Administrator - CAD K-Kids & Builder's Club
Asst. District Administrator - CAD Key Club

As we celebrate K Kids week this year. I ask God's blessings on our junior aspiring Kiwanians.

I encourage us to celebrate and encourage them to build on their leadership qualities and be enthusiastic about helping others and giving back to their communities. K Kids week is an important week in the Kiwanis family and we must embrace and celebrate with our K Kids.

Happy K Kids Week 2022.

Distinguished President Rudolph Gill

District Administrator - CAD Key Club

It is extremely encouraging to see the enthusiasm of our young leaders in primary schools. Our hopes and prayers are as they continue on their life's journey, they will continue to be committed to the service of helping others, developing themselves and becoming good citizens

Hollis Francis

LTG Division 27 Caribbean - ECC Kiwanis

As the largest service organization for elementary school students, I am delighted to be associated with K-Kids through its parent organization, Kiwanis.

I am so inspired by the enthusiasm and leadership of the members of K-Kids who have made such an impact in their schools and community. While the Covid-19 pandemic has meant that you have not been able to function the way you are accustomed and prefer, you are being challenged to think outside the box and find new ways of maintaining that impact. Even if it means just staying in contact with each other as a club and reaching out to your members and school mates who just need a little encouragement at this time, you are engaging in service. Always remember that no act of kindness or thoughtfulness is ever too small and if you try to be that kind of person and multiply these small good deeds every day you will find that the world will be a better place for you and those you affect.

I wish you a successful and enjoyable K-Kids Week. Continue to shine and I promise you that more fun times are ahead.

Our STORY

K-Kids is the largest service organization for elementary school students, with more than 36,000 members worldwide. The first K-Kids was chartered in 2000. Today, there are more than 1,200 clubs worldwide..

Motto

We Build!

Vision

To develop competent, capable, caring leaders through the vehicle of service.

Mission

K-Kids is an international student-led organization providing members with opportunities to perform service, build character and develop leadership.

Objects

To provide opportunities for working together in service to school and community. To develop leadership potential. To foster the development of strong moral character. To encourage loyalty to school, community, and nation..

Core Values

The K-Kids core values are character building, caring, inclusiveness & leadership.

Pledge

As a K-Kid, I promise to serve my neighborhood and my school. I will show respect toward my environment and I will try to make the world a better place in which to live.

K-KIDS WEEK²⁰²²

1

Monday - Show your K-Kids Pride

Tell everyone you know about K-Kids by spreading the word about it. It's easy! Wear your official member pin, host a party with free food for other students to come and learn more about your club, or print and pass out K-Kids stickers! You can even make a video, song, or posters about K-Kids beforehand to share on this day

2

Tuesday - Kudos to the Helpers

Personally thank all the K-Kids supporters you know—teachers, principals, advisors, community leaders, Kiwanians, parents and others. Make thank-you cards or crafts, write thank-you notes, host an appreciation party, deliver a special song or performance, or do something uniquely your own style to recognize people's contributions.

3

Wednesday - Share with Parents & Families

Share K-Kids and your passion for serving others with your biggest cheerleaders—your parents! Host a show-and-tell party to show off the club's work, make a special presentation, invite local organizations your club has helped to speak on your club's impact

K-KIDS WEEK ²⁰²²

4

Thursday - Random Acts of Kindness

A smile goes a long way. Spread happiness throughout your school by doing little random acts of kindness — such as holding the door open for someone, putting change in a vending machine, doing a chore around the house or leaving a nice note in a library book. Challenge every member to complete at least one random act of kindness.

5

Friday - Connect the Kiwanis Family

Celebrate the entire family of Kiwanis by engaging with all local Kiwanis family clubs - Builders Club, Key Club, Circle K, Aktion Club and Kiwanis. Ask your sponsoring Kiwanis club to present on the Kiwanis family, host a service project and invite other Kiwanis family clubs to participate or ask to make a presentation about your K-Kids club's work at a Kiwanis family club's upcoming meeting.

2022!*

SOME TIPS!

CANVA.COM

Monday, Tuesday, Thursday

Canva.com is an amazing website with tons of templates for cards, posters and basically anything you can name! On the days suggested above, K-Kids can be encouraged to navigate Canva to make cards for their helpers, do random acts of kindness or even make posters about their home clubs.

For a quick tour of canva, [click here!](#)

FREERICE APP/WEBSITE

Thursday

With most events and meetings happening virtually, how can you do service? Well, an amazing virtual way to donate food to those who need it most is the Free Rice Website. On this website, K-Kids just answer simple questions. When they answer a question correctly, 10 rice grains are donated to the lesser fortunate through the United Nations World Food Programme! Another great similar alternative is beanbeanbean.com.

For a quick tour of free rice, [click here!](#)

KAHOOT!

Any Day with a Virtual Meeting

Kahoot! is a game-based learning platform that brings engagement and fun to 1+ billion players every year at school, at work, and at home. Persons compete against each other in many different categories and can even make their own kahoots. Kahoots make meetings fun, less serious and even bring tons of interaction and laughter!
