LEADERSHIP CORNER

Watch the K-Kids and Builders Club District Administrator Roundtable.

The recording of March's [District Administrator Chat: Open Roundtable](#) is available. Participants came ready to share and listen. They asked questions and shared input with other K-Kids and Builders Club administrators. Check it out!

Remind club advisors about end-of-year surveys.

Feedback about club experiences is important to help Kiwanis International improve resources and support. Members and advisors can complete a survey in about 10 minutes. Participating clubs and advisors could receive a US\$25 Amazon gift card. Surveys close May 15. RECRUIT NEXT YEAR'S MEMBERS NOW

Start the 2025-26 school year strong by generating interest and enthusiasm in K-Kids *this* year. Try one or more of these ideas:

- Have members make and personally deliver invitations to students who have expressed interest.
- Invite eligible students to a meeting to learn more about K-Kids and make them feel like future members.
- Share information during school announcements.
- Host an informational club meeting.
- Invite all students to participate in your club's last service project for this school year.
- Set up a display in the lunchroom.
- Decorate bulletin boards.
- Display K-Kids member recruitment posters (see link below) or make your own.
- Request time in a school assembly that's scheduled for the end of this school year, or at the beginning of the next.

Don't forget: [Recruiting and marketing resources](#) are available to help you and your students.

SPREAD THE MESSAGE WITH FAMILIES

If your club is in a school, let parents and families know about K-Kids at the end of the year:

- Connect with your school's parent association. Share information with parent leaders who can pass it along to association members.
- Use the school's social media accounts to tell parents about the benefits of K-Kids and how to join. Share a link to [kkids.org](https://www.kkids.org).
- Email parents or send a packet home. Provide advisor contact information, meeting details, information about service and leadership opportunities, and a [Permission to Participate form](#) to make signing up easy.
