LEADERSHIP CORNER

The final District Administrator Chat of the 2024-25 school year will be March 4 at 7 p.m. ET. Register now for this open roundtable. Bring a question and get input from other administrators. Share your favorite K-Kids service story, something you learned or a system you created that can help others.

Encourage your clubs to participate in this year's <u>K-Kids awards and contests</u> — and to complete the club's Annual Achievement Report to be considered for a Distinguished Club or Honor Club award. The submission deadline for all awards and contests is April 1.

PARTICIPATING IN A PENNY WAR

Bowling Green Schools in Bowling Green, Ohio, U.S., launched an exciting penny war to fund hometown heroes' banners honoring local veterans. Learn how K-Kids, Builders Club and Key Club members are working together to make a difference in their community!

HOW TO COSPONSOR A K-KIDS CLUB

A Kiwanis club can make the K-Kids experience amazing — by cosponsoring a K-Kids club with another Kiwanis family club. Working together, those clubs can provide more service and leadership opportunities for K-Kids members. That collaboration also ensures that a Kiwanis family volunteer can attend and help with K-Kids meetings.

What does the cosponsor relationship look like?

OFFICERS BUILD KIWANIS CONNECTIONS

Being a K-Kids officer means leading. That leadership includes a responsibility for making connections with people outside the club. For a K-Kids club president or vice president — or all officers — what better leadership experience than to talk about their club's impact in front of Kiwanians? Work with your sponsoring Kiwanis club to determine at least one time per year for your officers to present updates at Kiwanis club meetings. It's a great way to build officers' skills — and their club's connection with the Kiwanians who support them!

We're growing our family one club at a time! Here are the newly chartered K-Kids clubs and the Kiwanis districts where they're located.
