LEADERSHIP CORNER

Administrators, encourage your clubs to create a plan to prepare, complete and submit their entries for [K-Kids awards and contests](#) this year! Completing the club's annual report is part of the process. The submission deadline for all awards and contests is April 1 — just over two months away!

Join us on Wednesday, January 29, at 7 p.m. ET, for [K-Kids District Administrator Chat: Best practices](#). Hear from experienced administrators and Service Leadership Programs staff about growing new clubs, supporting existing clubs, communications and other administrative tasks. And come prepared to share your own tips and stories!

TELL YOUR STORY

What does a year in the life of a K-Kids club look like? Your club can share its story by completing the [K-Kids Annual Achievement Report](#). Using this report to tell your story also helps you track the club's activities and document its achievements. K-Kids clubs can earn a Distinguished Club or Honor Club award by earning points for conducting recommended service and leadership activities for officers, members and clubs. Learn how to complete and submit the report by the **April 1** deadline.

CELEBRATE OFFICERS AND ADVISORS

Awards mean individual recognition as well! If your club's advisor or any officer is outstanding, consider nominating them for a distinguished award. The [K-Kids Awards and Contests Guide](#) contains information about these awards. Here's inspiration from several of last year's Distinguished Officers and Advisors.

ENTER YOUR ADVOCACY POSTER

Some of your service projects have advocacy at heart. Advocacy is educating people about a cause and asking them to support it. Participate in the K-Kids Poster Contest by submitting posters your club created to educate others about a cause and ask them to take action. Take a look at last year's winner, which came from Marco, a member at Louise Van Meter Elementary School K-Kids in Los Gatos, California, U.S.
