

Welcome to another service year with K-Kids! Learn about yourself and the needs of others, engage in the community, design and carry out service projects — and lead!

- First, check out the **Program Kit flyer** to see what is in the kit and other useful resources for clubs.
- The **K-Kids Member Guide** helps members learn about themselves and how to serve others.
- The **K-Kids Advisor Guide** has valuable information about running a club, a **Quick Start Guide** to keep track of important tasks throughout the year, and tips for empowering officers and members to lead.
- The **K-Kids Service Guide** for advisors and officers contains step-by-step instructions to help officers lead members through activities, as well as forms to make service project planning easier and more organized. It also complements **Member Guide** activities.

WHAT'S HAPPENING THIS YEAR

Advisor chats: Connect with fellow advisors and Kiwanis International staff during this year's two K-Kids Advisor Chats. Find information on the chat topics, dates and registration at kkids.org/advisors.

Watch the Global Kickoff! Global Kickoff 2025 launches this year on Wednesday, October 1, with the release of the event video. Host your own watch party and view the Global Kickoff video during a club meeting in October! Hear from other K-Kids and Builders Club members. Be inspired by service ideas from around the world. And learn about this year's Global Service Project challenge.

Trick-or-treat for good! Invite members to participate in Trick-or-Treat for UNICEF in October. Your club can help Circle K International raise money for UNICEF's Brick x Brick project: circlek.org/service/brick-x-brick.

Awards and Contests. Plan to participate in K-Kids awards and contests! Download and review the **Awards and Contests Guide** (available at kkids.org/awardsandcontests). It includes descriptions, rules and tips for each award, and examples of what to include in your club's annual achievement report.

Thanks again for all you do and the difference you will make in 2025-26!
Please contact our staff with any questions or to talk about your club!
