LEADERSHIP CORNER

District administrator chat video is available!

In September, district administrators joined Kiwanis International staff to review administrator responsibilities for the year and to go over an updated [K-Kids district administrator checklist](#). The checklist will help you keep track of key tasks throughout the year — and make sure clubs start and finish strong. During the chat, we also reviewed Kiwanis International Youth Protection Policies and shared good news and challenges. If you missed the chat, [check out the recording](#)!

Encourage your clubs to take part in Trick-or-Treat for UNICEF

K-Kids clubs are partnering with Circle K International to support [Brick x Brick](#), an initiative that's improving lives for families in the African nation of Cote d'Ivoire. Let clubs know they can order [Trick-](#)

[or-Treat for UNICEF boxes](#) to help with their fundraising efforts (and that they'll only pay the cost of shipping).

After your K-Kids club has identified a need or cause to address in your school or community, figure out which approach would work best for a service project. Have members watch this video together to learn about the four ways to serve others: hands-on service, advocacy, fundraising and donating.

MAKE SERVICE PLANNING EASY

Check out the easy-to-use worksheets in the [K-Kids Service Guide](#) to support your club's planning for high-impact service throughout the year. To get started, the advisor and officers can meet to discuss how to use the worksheets to engage members in each task — and to plan and carry out different types of projects.
