LEADERSHIP CORNER

Welcome to the 2025-26 school year!

We look forward to supporting the work that you do with K-Kids clubs, from helping your existing clubs start strong to chartering new clubs. If you have any questions, reach out to the K-Kids program staff at kkids@kiwanis.org.

Register to participate in the three district administrator chats this year! Part of each session will be a presentation or conversation about the chat topic, and the remaining time will be open for administrators to share questions, ideas, challenges and stories.

Find tools more easily on our website

Revised navigation topics include [About](#), [Start a Club](#), and [How Clubs Work](#). And the new [Resources section](#) makes finding [Resources for Administrators](#) and K-Kids club guides and tools a breeze.

Check out a loaner program kit

As you plan presentations with schools/organizations or district meetings with Kiwanis clubs this year, consider borrowing a K-Kids program kit from Kiwanis International. We have four "loaner" kits for administrators to check out. At least three weeks before your special date, email kkids@kiwanis.org to request a kit. In the email, include the address where you want it shipped, your phone number and any special instructions for the shipping company. A week after the event, the loaner kit must be mailed back to: K-Kids program, Kiwanis International, 3636 Woodview Trace, Indianapolis, IN 46268, U.S.
