LEADERSHIP CORNER

Do you know about unique or highly successful K-Kids service projects in your district? Have you heard about a Kiwanis family project that involves sponsored K-Kids members? If so, [share your story](#). You can send the link to club advisors or gather the details and submit it yourself. The K-Kids staff loves to share real stories about good service through newsletters, social media, the annual Global Kickoff, webinars and the K-Kids website.

FUNDRAISING IDEAS

Clubs raise money to donate to important causes and organizations and to support their club activities. Try a variety of fundraisers to keep things fun — and to keep your community interested! Here are some ideas:

- **Offer a service:** Students can charge a donation fee to provide a service. Wash cars, clean up gardens, rake leaves or wash windows. Members with a special talent (like playing a sport or an instrument) can tutor or perform at events for a fee.
- **Sell something:** Branch out from the traditional bake sale! Hold a plant, art or used-goods sale. Sell snacks at athletic events. Make and sell bracelets or school spirit buttons.
- **Hold an event:** Organize and sell tickets to an event. Plan a schoolwide talent show or basketball game with teachers. Host a walk-a-thon, dance-a-thon or fun run.
- **Make a charitable request:** Leaders, businesses and families want to support kids doing good work. And kids can be great fundraisers — while explaining how donations will help improve the community.

Remember to use the Project Fundraising Plan form (in the K-Kids Service Guide's [Planning a Fundraiser](#)) to capture details and make planning easier.

EXPLORE GRANTS FOR PROJECTS

How does a club implement a major service event? Members plan each step of the project together, ensuring they have all the necessary resources — including funding. You and your club can explore grant opportunities through Kiwanis International and Youth Service America.

K-KIDS HOST A TALENT SHOW

What happens when a disaster strikes a community? K-Kids members step up to help! This is what the McDeeds Creek Elementary K-Kids Club did last spring in Southern Pines, North Carolina, U.S. Members planned, organized and staged a talent show featuring their classmates. The show's entrance fees for performers and admission sales for attendees were donated to disaster relief in support of hurricane victims in Western North Carolina.

TIME FOR A WATCH PARTY!

The Global Kickoff video was released on Wednesday, October 1. If you haven't started planning your club watch party, it's not too late! Just pick a date and location, set a time, arrange for snacks and invite friends and family to join the fun! The 15-minute video is an opportunity to see clubs share their projects and to start planning all the amazing service your club will do this year. Don't miss out!

WITCH CLUBS WILL EARN A PATCH? 

After all the spooky fun and fundraising, it's time to turn donations into impact! Collect and compile your club's Trick-or-Treat for UNICEF donations and submit them to the Kiwanis Children's Fund — either by using the [gift form](#) or by [donating online](#). Funds support [Brick x Brick](#), which builds classrooms from recycled plastic bricks while empowering women and giving children a brighter future. Clubs that raise at least US\$250 by December 31, 2025, will receive a banner patch to recognize their impact!

We're growing our family one club at a time! Here are the newly chartered K-Kids clubs and the Kiwanis districts where they're located.

- Los Altos, California, U.S., California-Nevada-Hawaii District
- Webster Elementary, Fresno, California, U.S., California-Nevada-Hawaii District
- Tramway Elementary, Sanford, North Carolina, U.S., Carolinas District
- Creekside Christian Academy, McDonough, Georgia, U.S., Georgia District
- Dunleith Elementary, Marietta, Georgia, U.S., Georgia District

- Sandy Bank Primary, Jamaica, St. Elizabeth, Jamaica District
- Kirkwood Elementary School, Clarksville, Tennessee, U.S., Kentucky-Tennessee District
