

ADVOCACY: UPLOAD evidence that shows members had opportunities to share what they learned about a community need with the school/organization or broader community. (For example, a presentation created by members about a community need or a copy of a K-Kids school announcement giving facts about a community need or cause).

After numerous stories about Kids forgetting to add water to their Easy Mac, and causing fires.

The members along with their mascot NED created an online add campaign to let the public know the dangers of forgetting to add water.
