## LEADERSHIP CORNER

If you know an outstanding faculty advisor in your district, encourage them to submit an application to join the K-Kids Faculty Advisor Council! The council meets four times during the school year. Share these links to the [council overview](#) and [online council application form](#) with your advisor. The application deadline is May 31.

## CONGRATS, AWARDEES!

Check out the clubs, advisors, officers and talented contest-entry creators who earned [K-Kids awards for 2025-26](#)! We recognized:

- Distinguished Clubs and Honor Clubs that took time to complete the annual achievement report, sharing examples of service, student leadership, favorite service projects and more.
- Advisors and officers that earned Distinguished awards for fulfilling their roles with intention, care and dedication.
- Single Service Project awardees that shared why they chose to address a need, how they developed a project plan, the impact of their project and more.
- Winning contest entries that showed students' communication, organization and creativity.

Congratulations to the winners for changing their schools and communities — and for sharing their stories. They show what it means to be service leaders!

## SCRAPBOOK CONTEST WINNER

A well-crafted scrapbook reflects more than dates and activities. It captures the personality of the club. Through images, flyers, social media posts, artwork and descriptions, we learn about a year in the life of a club. This year, the Greater Point Pleasant K-Kids in Point Pleasant, New Jersey, U.S., was honored as the first-place winner. The club crafted a digital scrapbook showcasing how members planned service activities, fundraised for causes, celebrated successes, sharpened leadership skills, built friendships and improved their school and community.

## JOIN THE FACULTY ADVISOR COUNCIL

A faculty advisor's experience and perspective are invaluable! Apply to join the 2026-27 K-Kids Faculty Advisor Council so you can share yours with Kiwanis International. This year's council has influenced the new resources that the Kiwanis staff are creating, and it has helped us better understand advisors' challenges and clubs' needs. Learn about the council's work and member requirements in this [council overview](#). Then complete the [online council application](#) form by May 31.

## TEAMING UP FOR TOYS

Check out the results of a toy drive sponsored by a Key Club, K-Kids and Builders Club in Missouri, U.S., working with local businesses. What Kiwanis family collaboration!
