LEADERSHIP CORNER

Administrators, don't let your inactive clubs become charter revoked! We emailed spreadsheets with inactive clubs in early February, so you have what you need to follow up with your sponsoring Kiwanis clubs. If you haven't already sent the sheet back to Kiwanis International with notes, please let us know how we can help — send it today.

Register for the [K-Kids and Builders Club District Administrator Chat: Roundtable conversation on Wednesday, April 8, 2026, 7-8 p.m. ET](#). Bring an idea, challenge or a story to share with other administrators.

NEXT UP — JOINING BUILDERS CLUB!

Promotion (or graduation) is approaching for your oldest elementary/primary school students. Your graduates can continue to grow as service leaders in middle school/junior high. Teach them about [Builders Club](#) and share the [Builders Club flyer](#) so they know what's after K-Kids in the Kiwanis journey!

There are **two ways** for them to join a club. First, they can find out if the middle school/junior high they will attend has an active Builders Club by contacting the school or using Kiwanis

International's [club locator](#). If the school does not have a Builders Club, help them [learn how to start one](#).
